news from Big Sky Studio Jan 2016

Upcoming:

Tania was awarded a grant for a four week residency at the Vermont Studio Center in Johnson, Vermont where she will attend this February

Upcoming:

One Woman Show at Gallery 81435

March 2 - April 5, 2016

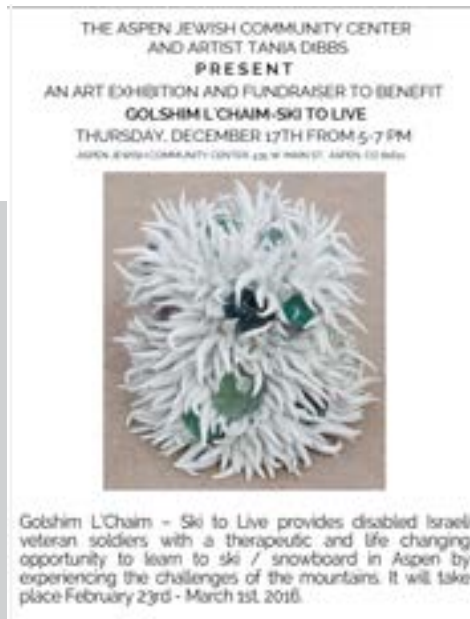

Opening March 3

Gallery 8143 is the contemporary art space of the Telluride Arts District Located at 230 South Fir Street, Telluride Colorado.

Upcoming:

This October Tania will join scientists, educators, innovators and other artists for a collaborative journey on a Barquentine Tall Ship sailing the waters of the international territory of Svalbard, an Arctic archipelago just 10 degrees latitude from the north pole. This is an exciting and unique opportunity for Tania to utilize two of her passions: art and science.

Ongoing:

Tania's opening December 17 at the Aspen Jewish-Community Center was a collaborative fundraising event to benefit the Ski to Live non-profit. The show will remain at the JCC until March 1st.

Past Events:

Scope Art Fair

De Re Gallery brought Tania's work to Scope Art Fair as part of Art Basel Miami this past December
